

# Ellisfield Neighbourhood Watch Coordinator (August 9, 2015)

Goodbye and Hello!

After 8 years of working so diligently as Neighbourhood Watch Coordinator to swiftly report crimes on behalf of Andrew Reid in our village, Hannah Houstin-Lacey is passing the Coordinator baton to Jane Hannah.

## From Hannah Houstin-Lacey: "Hannah's Manor"

My sincere thanks to Jane for taking on the Coordinator's role; I am sure her efficient manner will breathe new life into the job and, with support from residents, will provide a good service. I am sure you will all join me in welcoming and wishing Jane well.

**TWO NEW SCHEME HEADS REQUIRED** – your help is needed, please!

**Axford Road area** (Scheme 090): Peter Hopwood is leaving the village later this month; his diligent help as the Axford Road area coordinator was invaluable. Sincere thanks to Peter, a tremendous help.

**College Lane area** (Scheme 300): I have been covering this area for a number of years since Roger Graham's knee operation. Roger is now well but he did not wish to resume the role. Thanks again Roger, a great support.

**CAN YOU HELP** manage the distribution of Neighbourhood Watch information in one of these areas? Communication is mainly by email and by posting a copy on the area's noticeboard. Not an onerous task! Please contact Jane on 01256 381138 or email her at: [jane.hannah1@btinternet.com](mailto:jane.hannah1@btinternet.com)

Jane and I will be working together over the next couple of weeks to manage a smooth transition; I will transfer all known email addresses to allow on-going communication. I assume there will be no objection to this action but if anyone is concerned, please do get in touch.

My sincere thanks to everyone for their support and help during my years as Coordinator.

## From Jane Hannah, the new Neighbourhood Watch Coordinator

Hannah has very kindly provided me with an overview of the role and I will endeavor to ensure the correct and relevant information flows as smoothly as ever.

"*Hannah's Manor*" will become "*Jane's Watch*" when next published in the Parish Magazine.
