Dear Occupier

IMPORTANT NOTICE - NEW SURFACE FOR YOUR ROAD

Although the road outside your property may appear sound, fine cracks and worn areas are starting to appear. If the cracks are left untreated they will deteriorate further. In the next few days, weather permitting, the road is going to be given a new surface.

The treatment is called 'surface dressing' and involves spraying the road with bitumen and applying a layer of stone chippings. This treatment is fast, efficient, sustainable and extremely effective in prolonging the life of the road and improving grip. Any loose chippings will then be swept up over the next 7 to 14 days and any white lines, yellow lines and disabled bays etc will be replaced within 14 days, weather permitting.

To help us complete this work, with minimal inconvenience to you, please follow this advice:

1. Please do not park on the road (during the day) or be prepared to move your car until the road has been surface dressed.
2. Please keep children and pets away from the road— for safety and cleanliness
3. When driving on the new surface please keep to the temporary speed limits and avoid sharp turns thus allowing the surface to stabilise
4. Please avoid turning your steering wheel whilst stationary on the dressing
5. Check your shoes before entering your car or home.

For further information on surface dressing and other highways maintenance visit our website <http://www3.hants.gov.uk/roads> or telephone us on 0845 603 5633, Calls to 0845 numbers are free on some BT call plans but will cost between 4p (local rate) and 6p (national rate) per minute for BT customers not on a plan. Calls made using other service providers or mobiles may cost more. Alternatively call 01329 225398 – standard and local rates may apply to this number.

Thank you for your cooperation

Yours faithfully

Colin Taylor
